

## APPROPRIATION LINE ITEM AND BOILERPLATE HISTORY

### DEPARTMENT OF STATE POLICE

#### PART 1: LINE ITEM DETAIL

**2014 PA 252  
FY 2014-15  
Year-to-Date**

#### Sec. 101. APPROPRIATION SUMMARY

|     |  |                      |
|-----|--|----------------------|
| 1.  | <u>Unclassified full-time equated (FTE) positions</u> - Positions that are exempted from the classified State civil service pursuant to Article XI, Section 5 of the Michigan Constitution. These positions include elected officials, heads of principal departments, a limited number of policy-making positions in departments, members of boards and commissions, employees of State institutions of higher education, employees of the Judiciary, and employees of the Legislature. | 3,070.0              |
| 2.  | <u>Classified FTE positions</u> - All positions in State service unless exempted by Article XI, Section 5 of the Michigan Constitution. One FTE position equals 2,088 hours.   | 3.0                  |
| 3.  | <b><u>GROSS APPROPRIATION</u></b> - Total appropriations   | <b>\$639,573,000</b> |
| 4.  | <u>Interdepartmental grants (IDG)</u> - Funds that are also appropriated in other budgets. These funds are categorized as IDGs in the department that spends the funds and are therefore subtracted from the Gross Appropriation to avoid double counting total statewide appropriations.  | 26,233,200           |
| 5.  | <u>ADJUSTED GROSS APPROPRIATION</u> - Gross appropriations less IDGs.  | 613,339,800          |
| 6.  | <u>Federal revenue</u> - Funding allocated to the State by the Federal government.   | 99,429,900           |
| 7.  | <u>Local revenue</u> - Funds paid by local units of government that support State services and programs.   | 4,861,700            |
| 8.  | <u>Private revenue</u> - Available appropriated funds from private sources, including funding from non-governmental agencies.  | 77,200               |
| 9.  | <u>State restricted revenue</u> - Revenue earmarked for a specific purpose by the State Constitution, statute, or appropriation bill. Restricted revenue also includes general fund/special purpose funds, such as fee revenue used to support licensing programs.   | 124,800,000          |
| 10. | <u>State general fund/general purpose</u> - Revenue that has no constitutional or statutory restrictions on how it is used. Approximately 90% of the general fund/general purpose (GF/GP) revenue is derived from the income, single business, insurance, sales, and use taxes.  | 384,171,000          |
| 11. | <u>Payments to locals</u> - State appropriations from GF/GP or State restricted revenues that will be allocated to local units of government.  | 19,775,600           |

DEPARTMENT OF STATE POLICE

PART 1: LINE ITEM DETAIL

2014 PA 252  
FY 2014-15  
Year-to-Date

Sec. 102. EXECUTIVE AND DEPARTMENTAL SERVICES

1. Unclassified positions \$724,700

Unclassified FTE positions 3.0

This line pays the salaries of the Director, the Chief Administrative Officer, the Research and Development position and the Executive Director of the the Michigan Law Enforcement Officers' Training Council

2. Executive and departmental services \$90,888,500

Classified FTE positions 120.0

This unit supplies support staff to the Office of the Director by providing policy, planning, program, administrative, and operational direction for the department and is responsible for a number of core services provided by the department, including Executive Direction (\$3,068,200), State Executive Security (\$2,564,900), Capitol Complex Security (\$2,577,700) and Departmental Services (\$82,677,700). Among the functions of Departmental Services include Special Maintenance, Rent and Building Occupancy, Worker's Compensation, State 9-1-1 Administration and the following additional functions:

Auto Theft Prevention Program

The Automobile Theft Prevention Authority was created to fight auto theft and provides grants to various law enforcement units throughout the State to combat auto theft. The Authority is funded by annual assessments of insurance companies at the rate of \$1 per earned car year of insurance written in the previous year.

Special maintenance and utilities

This appropriation pays for emergency maintenance and repair parts for department headquarters and post buildings and utility costs for headquarters

Fleet leasing

Pays for motor vehicle fleet expenditures to the Motor Transport Division of the Department of Management and Budget

Management services

Provides employee services, labor relations, payroll services, counseling services (through the Office of Behavioral Sciences) to department personnel, facility management, purchasing, budgeting and communications.

Office of justice programs

Provides for evaluation and distribution of Federal law enforcement grants to local and State agencies.

**DEPARTMENT OF STATE POLICE**

**2014 PA 252  
FY 2014-15  
Year-to-Date**

Information technology services and projects

This appropriation represents funds to be passed through as an IDG to the Department of Information Technology for information services and projects for the department.

|                                    |                     |
|------------------------------------|---------------------|
| <b>Unit Gross Appropriation</b>    | <b>\$91,613,200</b> |
| Interdepartmental grants           | 1,407,300           |
| Federal revenues                   | 9,858,100           |
| Local revenues                     | 1,117,300           |
| Total other state restricted funds | 19,415,100          |
| State general fund/general purpose | 50,815,400          |

**Sec. 103. LAW ENFORCEMENT SERVICES**

|                                    |              |
|------------------------------------|--------------|
| 1. <u>Law enforcement services</u> | \$86,776,200 |
| Classified FTE positions           | 484.0        |

This appropriation includes many of the services provided by the department to law enforcement agencies throughout the state, including core services such as Training (\$12,675,900), Commission on Law Enforcement Standards (\$10,063,600), Criminal Justice Information Systems (\$15,889,900), Laboratory Operations (\$32,139,600), DNA Analysis Program (\$8,418,100) and Biometrics and Identification services (\$7,598,100). Functions include the following:

Training administration

This program provides for a training campus at the state secondary office complex, the Law Enforcement Resource Center and a staff of instructors who administer and coordinate programs. Examples of programs include Trooper recruit schools, specialized training, professional education and precision driving training.

Standards and training/Justice training grants

This program provides for, through an eleven-member council, the standards for the selection, training and certification of law enforcement officers in the state. The unit also works with local criminal justice agencies to support community policing. Provides grants from an assessment on civil infractions to criminal justice agencies for in-service training of employees. Per PA 302 of 1982.

In-service training – law enforcement distribution

Pays for in-service training for law enforcement with funds from the Michigan Justice Training Fund, based upon the number of officers.

**DEPARTMENT OF STATE POLICE**

**PART 1: LINE ITEM DETAIL**

**2014 PA 252  
FY 2014-15  
Year-to-Date**

---

In-service training – competitive

Pays for training grants which are competitively issued

Training only to local units

This office utilizes a portion of the funds from an assessment on moving violation convictions to maintain the basic police training curriculum and to partially reimburse the costs of training employed law enforcement officer candidates.

Concealed weapons enforcement training

Utilizes funds received from license application for carrying a concealed weapon to train law enforcement agencies on the provisions and enforcement of the concealed weapon law.

Public safety officers benefit program

Provides payments of \$25,000 to the beneficiary of public safety officers killed or permanently disabled while on the job, per PA 46 of 2004.

Criminal justice information center division

Serves as state central repository for all Michigan fingerprint, identifications, criminal history records, concealed pistol licenses and handgun licenses. Maintains Uniform Crime Report data and is responsible for freedom of information requests.

Criminal records improvement

Statewide mission is to improve criminal history records in areas of accuracy, completeness, and timeliness.

Traffic safety

Compiles and evaluates traffic crash data and utilizes data for planning educational efforts to reduce traffic fatalities.

Laboratory operations

This unit analyzes a wide range of evidentiary materials (fingerprints, documents, firearms, drugs, body fluids and trace evidence) for Federal, state and local law enforcement agencies at seven forensic labs around the state and operates the state's bomb squads.

DNA analysis program

This unit maintains a computer data base of crime-related DNA profiles and analyzes DNA evidence at three forensic labs in the state

|                                       |                     |
|---------------------------------------|---------------------|
| <b>Unit Gross Appropriation</b>       | <b>\$86,776,200</b> |
| Intradepartmental grant revenues      | 5,508,100           |
| Federal revenues                      | 9,077,700           |
| Total other state restricted revenues | 34,529,000          |
| State general fund/general purpose    | 37,661,400          |

**Sec. 104. FIELD SERVICES**

|                          |             |
|--------------------------|-------------|
| 1. <u>Field services</u> | 300.703,000 |
| Classified FTE positions | 484.0       |

The Field Services division of the budget bill appropriates much of the direct law enforcement services the department provides, including General Law Enforcement and Traffic Safety (\$209,572,000), Security at Events (\$100 placeholder), Criminal Investigations (\$53,845,000), Tobacco Tax Fraud Investigations (\$5,226,400) and Fire Investigation (\$2,059,500). Functions include the following:

2. Uniform services

This unit provides the command and support personnel for the Michigan State Troopers assigned to the posts and dispatches within seven districts throughout the state.

3. At-post troopers

The At-post trooper line consists of the salaries, wages and other personnel costs of the uniformed troopers of the State Police who are assigned to the 63 posts and one team within the state's seven districts.

4. Public safety initiative

This program places troopers and other personnel in stressed cities to assist local law enforcement efforts to control the incidence of crime.

5. Narcotics investigation funds

Provides authority for expenditure of narcotic forfeiture funds received by the department on law enforcement activities.

6. Reimbursed services

DEPARTMENT OF STATE POLICE

PART 1: LINE ITEM DETAIL

2014 PA 252  
FY 2014-15  
Year-to-Date

Authorizes expenditure of revenue received for contractual services provided to outside agencies and organizations, which in recent years has included reimbursements for services rendered to the University of Michigan and Michigan State University.

7. Criminal investigations

Provides investigative services to criminal justice agencies, including local police, prosecuting attorneys, courts and correctional facilities. Specialized units include those for diversion investigation, computer crimes, technical services, fugitive apprehension, organized crime, major cases, criminal intelligence, surveillance, methamphetamine and tax and treasury enforcement. Field detectives are assigned to State Police posts throughout the state.

8. Federal anti-drug initiatives

Provides specialized narcotic investigative services through multi-jurisdictional task forces funded primarily (75%) by Federal funds.

9. Reimbursed services, materials and equipment

Provides authority to accept and spend reimbursement received by the Department for services, equipment and supplies from local and Federal agencies for investigative efforts.

10. Auto theft prevention

Provides funding for the department's role in auto theft investigative services through seven multi-jurisdictional task forces.

11. Casino gaming oversight

Provides oversight and direct enforcement services to Detroit based casinos.

12. Fire investigation

Trained investigators are responsible for assisting local units with the investigation of suspicious fires throughout the state.

FY 2014-15  
Year-to-Date

Sec. 105. SPECIALIZED SERVICES

1. Specialized Services 141,251,300

Classified FTE positions 491.0

The Specialized Services section of the budget bill provides appropriations for strategic, specialized services, which support law enforcement, commercial vehicle law enforcement and the state's emergency response and homeland security efforts. Core services included within this appropriation include Special Operations (\$26,370,600), Commercial Vehicle Enforcement (\$27,704,900), Emergency Management and Homeland Security (\$59,978,300), Highway Safety Planning (\$16,131,400) and the Secondary Road Patrol Program (\$11,066,100). Among the functions of this division include the following:

Operational support

Unit provides specialized support for state and law enforcement via canine units, underwater recovery, emergency support services, and crime prevention activities, including a school liaison program.

Aviation program

Provides aerial support for field and investigative units in the state. An airplane and three helicopters (one new for FY 2014-15) engage in activities including searches, surveillance, traffic enforcement, VIP security, and prisoner and administrative transportation.

Motor carrier enforcement

Responsible for enforcement of commercial vehicle laws and regulations by certified Motor Carrier Officers on duty at 14 weigh stations and on mobile patrol throughout the state

Truck safety enforcement team operations

Provides specialized commercial vehicle enforcement in areas of special needs.

Safety inspections

This program provides for the performance of safety inspections, reviews of motor carrier safety and maintenance of a safety inspection database.

School bus inspections

This unit is responsible for monitoring and providing safety inspections of all school buses in the state in accordance with the Pupil Transportation Act and the Michigan Vehicle Code, funded by state local school aid revenue.

Safety projects

**DEPARTMENT OF STATE POLICE**

**PART 1: LINE ITEM DETAIL**

**2014 PA 252  
FY 2014-15  
Year-to-Date**

---

Provides for specially-funded commercial vehicle safety projects and Federal commercial vehicle safety grants to local and non-profit agencies.

**Traffic services**

This unit provides administration and support for all statewide traffic related programs for the department including traffic control orders, vehicle code, breathe alcohol testing, traffic crash reconstruction, grants, lasers, radar, and the Departmental traffic awareness campaign.

**Emergency management planning and administration**

This office is responsible for the emergency management leadership for the state. Programs support state Federal, county and municipal local emergency management infrastructures for peacetime emergencies, disasters and for national security in areas of emergency mitigation, preparedness, response and recovery. The office also distributes Disaster Preparedness Improvement Grants, funded, as is the office itself, by a 50-50% match of Federal and state funds.

**Grants to local governments**

Provides authority for emergency management pass-through grants from the Federal Emergency Management Agency to county and municipal governments and local grants from the Environmental Protection Agency.

**FEMA program assistance**

This office provides Federal assistance for population protection planning, radiological maintenance and control and survival management activities. Specific programs include: (1) terrorism consequence management, (2) community assistance (flood hazard reduction) and (3) flood mitigation assistance.

**Nuclear power plant emergency planning**

This office provides staff and technical assistance in planning, training and preparedness response to radiological emergencies at fixed nuclear facilities in the state. Costs of the program are funded through reimbursements from the four nuclear plants within the state.

**Hazardous materials programs**

This program first developed from the Federal Superfund Amendment Reauthorization Act of 1986, Title III, which requires each state to appoint a state emergency response commission. More recently, a state Homeland Security Advisory Board was created to oversee the development of emergency response plans, including antiterrorism plans under the federal Department of Homeland Security, and the approval of grant expenditures throughout the state. Staff provides technical assistance to local committees in writing and reviewing plans and in training. The program also includes current grants to state and local units for anti-terrorism equipment and maintenance of a hazardous materials training center, located at the State Secondary Complex.

**State program planning and administration**

**DEPARTMENT OF STATE POLICE**

**PART 1: LINE ITEM DETAIL**

**2014 PA 252  
FY 2014-15  
Year-to-Date**

Provides administration and direction with Office of Highway Safety Planning for state highway safety activities.

Truck safety program

Provides for the activities of the Truck Safety Commission (PA 348 of 1988), including the granting of funds for education, research and development, analysis of truck safety issues and enforcement of motor carrier safety laws.

Federal highway traffic safety coordination

Provides for the implementation and enforcement of alcohol traffic safety programs, underage drinking and compliance with safety belt use laws through Federal funding, and federally-supported programs which provides grants for making Michigan roads safer are properly developed, managed, monitored and coordinated.

Secondary road patrol program

The program provides grants to county sheriff's departments for patrolling of secondary roads, funded by a \$10 assessment on moving violation convictions, authorized by PA 416 of 1978.

|                                       |                      |

**Sec. 106. ONE-TIME APPROPRIATIONS**

|    |   |             |
|----|---|-------------|
| 1. | <u>Trooper school</u>   | \$4,408,500 |
|    | Provides staffing and resources necessary to train at least 100 Michigan state police trooper recruits.   |             |
| 2. | <u>Emergency support team vehicle</u>   | \$225,000   |
|    | Provides for an emergency response team vehicle replacement.  |             |
| 3. | <u>Motor Carrier school</u>   | \$1,181,900 |
|    | Provides the staffing and resources necessary to train at least 31 Michigan state police motor carrier officer recruits.  |             |
| 4. | <u>Aviation support – helicopter purchase</u>   | \$4,932,000 |
|    | The appropriation is to be used for the purchase of a new helicopter to provide patrol segments in stressed cities and improve the response capabilities to emergency situations  |             |
| 5. | <u>LEIN conversion language</u>   | \$350,000   |
|    | The appropriations is to be used to update the language currently used by LEIN to XML to allow LEIN messages to be in a more common language that can be used to share information more easily with other criminal justice partners.  |             |
| 6. | <u>Electronic warrant report system</u>   | \$750,000   |
|    | The appropriation is to provide for a statewide information exchange system to eliminate the redundant entry of information required to request, approve, and issue warrants for arrest, including with information exchanged prosecutors, courts, LEIN, criminal history databases, the state forensic laboratory, and the state court administrative office, designed to save the time and effort of law enforcement personnel as compared to current procedures. |             |
| 7. | Michigan international speedway traffic control   | 831,900     |
|    | The appropriation is to be used to pay the Department to provide traffic control for events at Michigan international speedway.   |             |

DEPARTMENT OF STATE POLICE

PART 2: BOILERPLATE DETAIL

2014 PA 252

| Section Number | Description and History |
|----------------|-------------------------|
|----------------|-------------------------|

**Background:** New language for FY 2014-15.

- |     |   |
|-----|---|
| 705 | <b><u>LEIN upgrade.</u></b> Requires that the appropriation shall be used to update the language currently used by LEIN to XML to allow LEIN messages to be in a more common language that can be used to share information more easily with other criminal justice partners. |
|-----|---|

**Background:** New language for FY 2014-15.

- |     |  |
|-----|--|
| 706 | <b><u>Electronic warrant system.</u></b> Requires the appropriation be used to provide for a statewide information exchange system to eliminate the redundant entry of information required to request, approve, and issue warrants for arrest, including information exchanged with prosecutors, courts, LEIN, criminal history databases, the state forensic laboratory, and the state court administrative office, designed to save the time and effort of law enforcement personnel as compared to current procedures. |
|-----|--|

**Background:** New language for FY 2014-15.

- |     |   |
|-----|---|
| 707 | <b><u>Michigan international speedway.</u></b> Require the department to provide traffic control for events at the Michigan international speedway. |
|-----|---|

**Background:** Language first appeared FY 2009-10.

- |     |  |
|-----|--|
| 708 | <b><u>Local public safety initiative.</u></b> States that the appropriation shall be used for local public safety technology and equipment grants with a focus on school safety, distributed as follows: |
|-----|--|

(a) Eighty percent of the 1-time appropriation in part 1 for local public safety initiative shall be disbursed in the form of competitive grants to K-12 schools, without bias toward public or private educational institutions. The grants shall support the purchase and implementation of safety-related acquisitions such as enhanced 9-1-1 abilities, malicious call tracing, physical deterrents, real-time location systems, emergency alert software, other technologies, equipment, school building security enhancements, or employee training.

(b) Twenty percent of the 1-time appropriation in part 1 for local public safety initiative shall be disbursed in the form of competitive grants to county sheriff departments for the purchase of equipment, technologies, or officer training that would enhance K-12 school safety and the departments' ability to effectively coordinate their response to safety-related incidents at schools.

**Background:** New language for FY 2014-15.

- |     |  |
|-----|--|
| 709 | <b><u>Marshall post.</u></b> States that appropriations for rent and building occupancy charges - Marshall post shall be expended to buy down a portion of the department's share of construction and operating costs for the Marshall regional law enforcement center. Lease terms shall be subject to a market analysis performed by the department of technology, management, and budget to substantiate the rental amount. |
|-----|--|

**Background:** New language for FY 2014-15.
